The 5th Annual [Dror for the Wounded Foundation Benefit](#) is rapidly approaching and ticket sales are robust. This year, the event will take place on Wednesday, October 6th, from 7:30 PM to 11 PM at [Touch Lounge](#) at 240 West 52nd Street between 7th and 8th Avenue. This year's event promises to be the best ever.

The [Dror for the Wounded Foundation](#) is an organization developed to assist financially-challenged Israeli soldiers who have been severely injured while defending their country. While the Israeli government helps to defray the costs relating to injury, the country's budget is limited and there are services that the government just doesn't provide. This is where Dror for the Wounded comes in. The organization puts together charity events such as this event as well as fundraising drives to help offset the hundreds of thousands of dollars the soldiers need to recuperate and get on with their lives.

The annual Dror for the Wounded benefit in New York City draws a large crowd of single young professionals in their upper 20s, 30s, and 40s, but also draws many older professionals. The event will have an open bar, delicious food, live music and a [silent auction](#). This year's event will be particularly exciting because Dror for the Wounded founder [Dror Dagan](#) will be flying in from Israel to attend the benefit. Dror founded the organization after he was severely wounded on a mission to arrest a terrorist leader leaving him paralyzed from the waist down.

The event promises to be a blast and tickets are selling quickly. You can [purchase your tickets](#) now for \$90, or at the door for \$105. There are upper balcony tables that seat six available for \$1000. You can also [donate money](#) directly to the organization. Come to the event, have fun, and learn more about this important cause. It will be an event you will remember forever.
